## Advertisement for JRF position in SERB project

Applications are invited from motivated and qualified candidates for the post of Junior Research Felllow(JRF) to work in a SERB funded research project <u>SERB/EEQ/2021/000965</u> with the following details:

Title of the project: "Exploring connection between Flavour Physics and Dark matter".

**Duration:** One year or up to the termination of project.

**Essential qualifications:** M.Sc. in Physics with at least 60% marks. NET/GATE/JEST qualified candidates will be given preference.

**Desirable:** Candidates with exposure of Particle Physics and Quantum field theory and also proficient in programming skills as C/C++/Python/MATHEMATICA.

**Fellowship:** For CSIR-NET/GATE qualified candidates (Rs. 31,000/- + 16% HRA) per month. For others as per SERB norms.

Age: Not more than 28 years.

How to apply: Interested candidates having necessary qualification can send a detailed CV alongwith the documents by email to <a href="mailto:dineshphysics042@gmail.com">dineshphysics042@gmail.com</a> with the subject line "JRF application for SERB project". Please note that your CV include contact details (address, mobile number, email ID), date of birth, and qualifications. Incomplete applications will be rejected. Last date for submission of application is March 05, 2024. Only shortlisted candidates will be intimated by email for interview.

## **Important Instructions:**

- > The position is purely temporary in nature and it is co-terminus with the project.
- > The candidate can be terminated at any time if he/she doesn't show the satisfactory performance in the project.
- > All original documents would be required to produce for verification purpose at the time of interview.
- No TA/DA will be paid for appearing in the interview.
- ➤ All the terms & conditions for this recruitment will be as per the guidlines of SERB, DST, Govt. Of India.
- > Relaxation for SC/ST/OBC/ Woman/PWD candidates as per Govt. Of India norms.
